

Episcopal Churches on the Island

Trinity www.trinitynewport.org We are a community of Episcopalians gathered by Christ, serving and supporting one another and those in need. Our historic church is a living beacon calling all for worship, fellowship, and growth in the grace and knowledge of our Lord.

St. Paul's www.stpaulsportsmouthri.org We are a family-sized Episcopal church with a warm and welcoming congregation, inspired by worshiping God in common prayer. We accept people as they are and respect others' views. We value our ability to reach out and serve our neighbors, in the spirit of Jesus' example: loving, healing and teaching.

St. Columba's www.stcolumbaschapel.org Saint Columba's is home to a spiritually engaged and socially diverse group of people, as well as an open house for all those who seek a closer relationship with God. It's a parish of the Episcopal Church in the United States, part of the worldwide Anglican Communion. The congregation celebrates that Christian heritage with respect for both Scripture and reason, and an appreciation of the ways that our faith is nourished by liturgy, music, and art, and expressed through service to others.

Emmanuel www.emmanuelnewport.org We are a dynamic faith community committed to sharing God's love. Our mission is to equip people to live as disciples of Jesus.

St. John's www.saintjohns-newport.org St. John's on the Point, in Newport is Anglo-Catholic in doctrine and style, and has an extensive and beautiful music program. The services are in traditional language and reflect the beauty of the Anglican and Western Catholic traditions of liturgy and music. Our church is inclusive and open to all, and we would be delighted to have you visit us on Sundays or during the week.

Holy Cross www.thechurchoftheholycross.org Church of the Holy Cross is blessed to have a group of retired Episcopal Ministers that alternate Sundays to celebrate our Church services. The combined Ministry of pastoral leadership totals almost 250 years of teachings of our faith.
