

Weddings Fees

St. Mary's Episcopal Church and clergy do not charge fees for the services of the church. There are, however, modest fees for the organist. The organist honorarium fee is \$250 and includes consultation and playing at both the rehearsal and wedding service. This check is made payable to the organist and should be presented at the time of the rehearsal. Any additional rehearsals with other musicians are \$40 per session. There is a \$25 charge per person hired payable to the organist for contracting singers or instrumentalists.

In thanksgiving for the blessings enjoyed, those who make arrangements for weddings and baptisms are encouraged to make contributions to the Clergy Discretionary Fund (customarily this gift is an amount equal or greater than the amount paid to the organist), which is used for charitable purposes.
